

Devon and Cornwall Night League 2018-2019 Final

As you will know the requirement to feature in the combined club league is to have competed in at least one of the other clubs events. As you can see there weren't many who did that although some events had splendid entries while others did not. The organiser/planner is credited with the average score of properly scoring runners on their normal course - in other words zero point scores were ignored.

GREEN	CLUB	CLASS	TOTAL	BEST 3
Will Hancock	Kerno	M35	3545	2855
